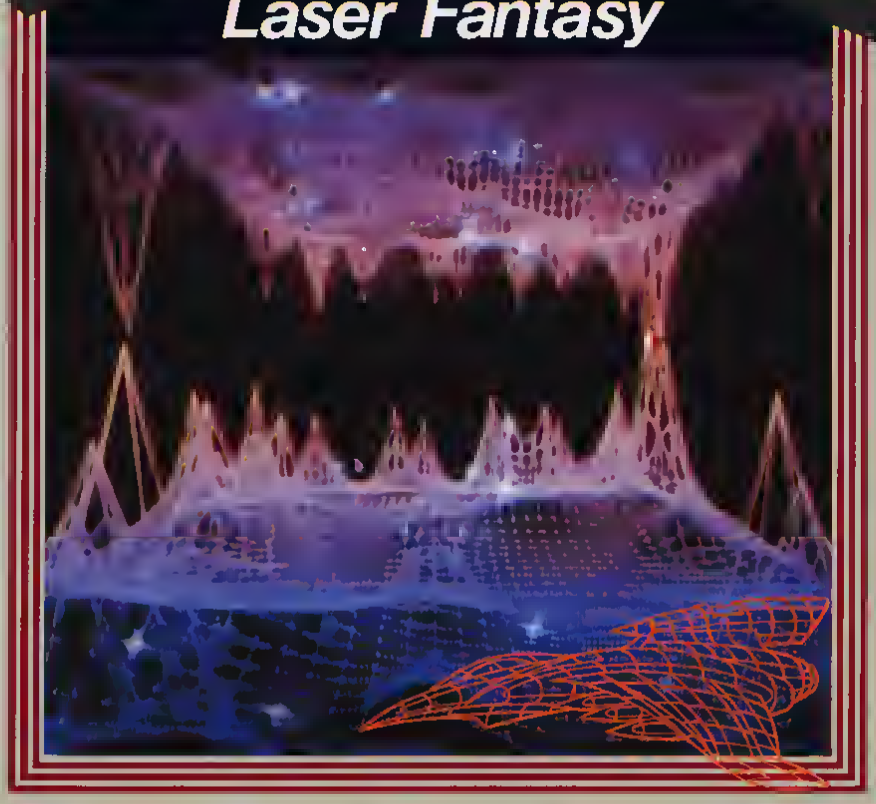
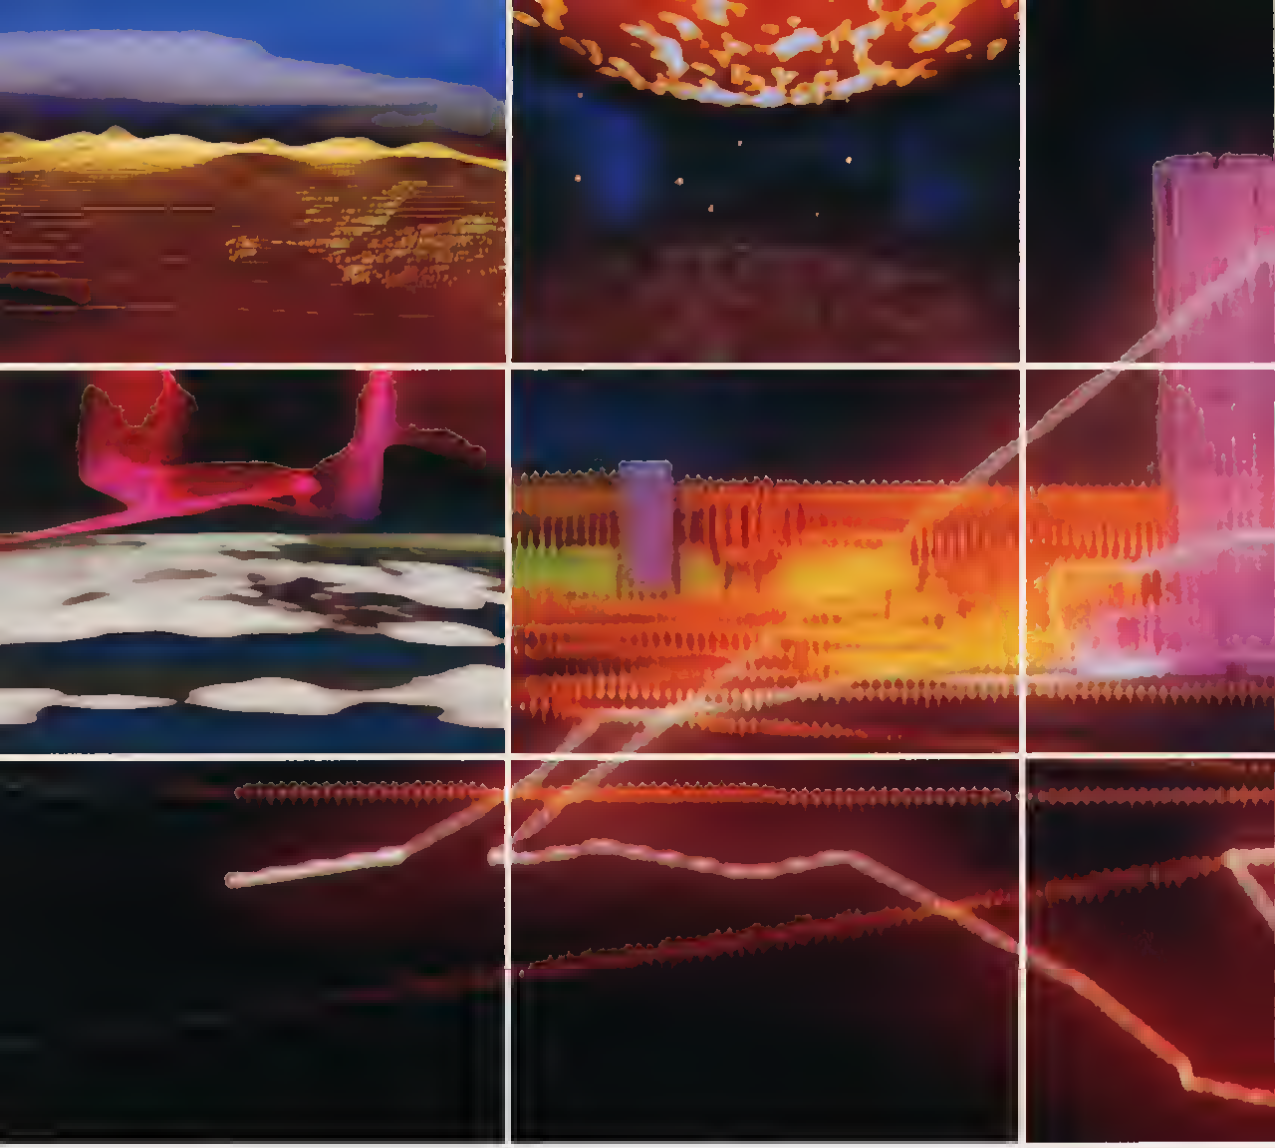
INTER STELLAR

Laser Fantasy



FUNAI



IT'S A REAL SPACE E

Laser F

ALL NEW FEATURES

1 LASER DISC TECHNOLOGY
Never before has the quality of sight and sound in an amusement game been this good Pioneer s Laser Disc makes it possible, Gakken, foremost graphic design group who dreamed up the background scenarios makes it a sure thing.

2 3-DIMENSIONAL COMPUTER GRAPHICS
Meteors scream towards you, fantasy cityscapes sweep by, It s all you can do to avoid ducking for cover! Inter Stellar s graphics give you the truest 3-D effects possible without wearing funny glasses

3 VIVID COLOR
High density color produced by special intensity graphics together with the unmatchable clarity of Laser Disc give you color better than you ve seen before

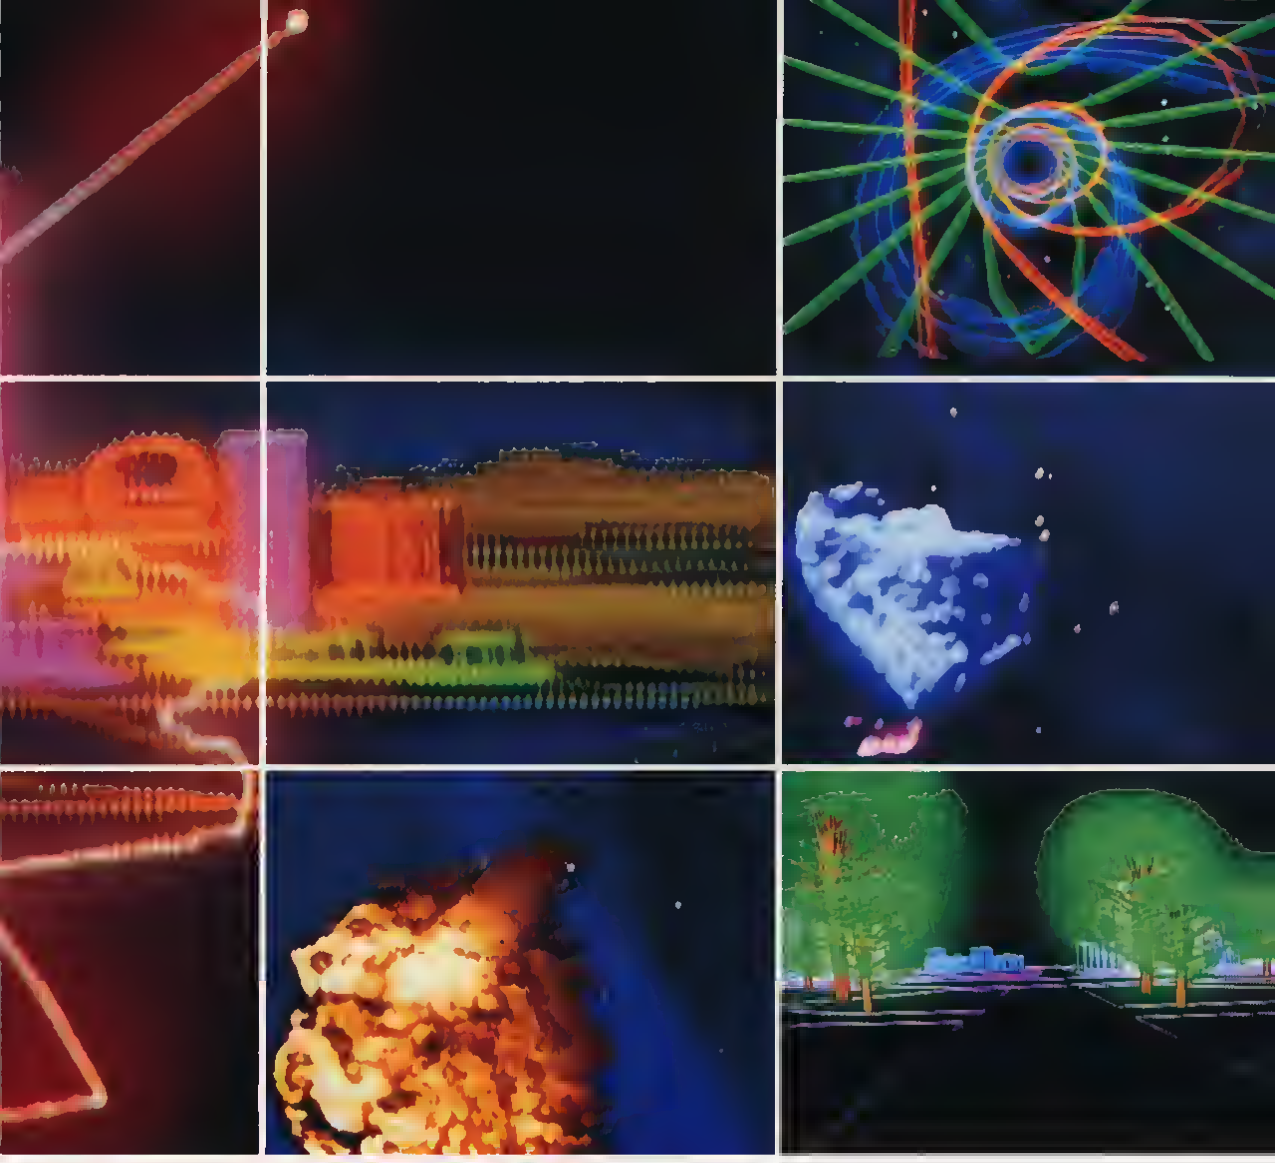
4 DUST-FREE COOL OPERATION
A special patented air filter and cooling system assure you of less maintenance fewer breakdowns This is truly the "better" Laser Disc video game

5 NO BLACK-OUTS
Funai s game program has eliminated "blackouts" found in other laser games

6 FIVE CHANNEL AUDIO SYSTEM
Nine speakers (cockpit model) surround you with 5-channel digital audio Perfect sound with no distortion

7 SYNTHESIZER MUSIC AND SOUND EFFECTS
In keeping with the "other-worldly" feeling of the game, it has been choreographed and scored exclusively for Inter Stellar on a synthesizer The music and sounds move from haunting to mystical to eerie to weird to downright frightening You ll love it!

8 ENDLESS VARIETY
Inter Stellar has more much more!
A continuous flow of over 40 games scenarios together with 21 different attack patterns give you more possibilities more changes and more excitement and drama than any other game Never ever boring. The player is assured endless challenge Just try it!



BATTLE "INTER STELLAR"

It's an exciting new game based on advanced computer graphics Vivid pictures created by LaserDisc Live 5-channel sound like you've never heard before

INTER STELLAR a 3-dimensional universe of the future with colorful graphics so real it's frightening.

INTER STELLAR a state-of-the-art electronic game that's destined to revolutionize the world of amusement

INTER STELLAR a space-age voyage into another dimension of fantasy and time The desert voids of space Unknown worlds frozen in perpetual ice Phantasmagoric auroras in the stellar sky Countless fleets of invading alien spacecraft

Expect the unexpected danger, adventure, terror, suspense and enjoy the ultimate joy of conquering the unconquerable No game has ever been more exciting, more thrilling, more rewarding

INTER STELLAR the first in the LASER FANTASY SERIES from the Funai Electric Group We're setting the pace in sophisticated electronic amusement games
